

# K-3 Responsible Use Agreement for Technology

## BE CARING

- I will carry technology devices with 2 hands as shown by my teachers
- I will place technology devices in a safe place when I am not using them
- I will use technology with clean hands
- I will eat or drink before or after I use technology, not while I am using technology

## BE SAFE

- I will be sure an adult knows when I am using technology
- I will keep my passwords private, except from my parents or teachers
- I will only visit websites or use apps my teacher has asked me to use
- I will tell an adult if something online makes me feel uncomfortable

## BE RESPONSIBLE

- I will tell an adult if a technology device is not working properly
- I will tell an adult if I see someone not using technology in a safe, caring, or responsible manner
